19th March 2020

Dear Parents and Carers,

Due to high numbers of staff absences and in the light of the Governments recent announcement Southfield will be closed to all pupils from Monday 23rd March.

Southfield will remain closed to pupils for one week initially to enable us to make plans for the children of 'Key workers', and to enable us to set up home learning for all of our pupils.

If you are classified as a 'Key worker' please could you contact school as soon as possible giving us details of your role and workplace by e-mail to admin@southfield.herts.sch.uk

Our teaching staff will contact you next week with details of how you can access our home learning provision. This will enable us to keep in contact with you and your child during this period of closure, and to ensure that your child can continue their learning at home.

I appreciate that this is a very worrying time for all of our families and would like to thank you all for your support at this difficult time. Please rest assured that we will keep in contact with you and we will keep you informed about re-opening the school to everyone as soon as we can.

There will be regular updates from Southfield as and when we get more information from the Government. I know that many of you will have questions about the current situation, and we will send you details of how to keep in contact with key staff as soon as possible.

In the meantime take care and we hope to see everyone back at school as soon as possible.

Kind regards

Libby Duggan.
